

CHRISTIANO GOMES

Jr-Frontend Engineer

+1(305)-896-5931 @ christianomiami@gmail.com 300 Bayview Dr, Sunny Isles Beach FL 33160

ABOUT ME

I began my coding journey about a year ago while working full-time as a realtor in South Florida. Once I started learning React and building my projects, I became completely immersed in the world of programming due to the creative freedom it offers and the fast-paced learning environment. I am a lifelong learner who enjoys adding new skills to my repertoire, having acquired several online certifications and completed multiple projects. I am now looking to make the switch into a full-time front-end engineering role.

EXPERIENCE

Realtor Sales Associate

London Foster 07/2022 - Present Miami

Managing all aspects of documentation and contracts requirements to ensure compliance with real estate regulations. Creating and implementing effective marketing strategies to promote properties. Building and maintaining strong client relationships through clear communication, trust-building, and responsive service. Collaborating with mortgage, brokers, and inspectors to ensure an efficient closing process.

Realtor Sales Associate

Optimar International Realty 01/2015 - 07/2022 Sunny Isles Beach
Achieved and exceeded sales targets through effective negotiation, client satisfaction, and strategic business development initiatives. Utilized CRM systems and technology tools to organize leads, track client interactions, and manage the sales process efficiently.

Front Desk Manager

Island House Hotel 01/2012 - 12/2014 Miami Beach

Managed front desk operations, serving as the initial point of contact for visitors and clients. Coordinated appointments, reservations, and logistical support to optimize daily workflow. Handled administrative tasks, including data entry and filing.
